EXPERIENCE

Senior Designer | On Board Experiential, Sausalito, CA (remote)

April 2020 to Present

- Brainstorm, concept and design for experiential experiences
- Design wireframes and work with developers for digital experiences
- Create personas and journey/empathy maps to tell user stories
- Design graphics and mockup assets for pitch decks

Clients: J.P. Morgan/Chase, Nike, Meta

Graphic Designer | Ruth Soukup Omnimedia, Punta Gorda, FL (remote)

February 2017 to September 2019

- Produced a comprehensive brand guideline system for the whole company
- Created the 'Do it Scared' logo, book cover and branding system
- Illustrated a Floral Planner design that became the best-selling planner for the company
- Designed and illustrated large scale banners and signage for the Activate 2018 event
- Daily tasks included: Photo manipulation/editing and designing graphics for blog posts, social media and the 'Do it Scared' podcast
